10th February, 2016

To,
All the Members,
CBPRO(K).

Dear Comrades,

ACTION PROGRAMMES ORGANISED AT BANGALORE.

Dear Comrades,

In the Meeting of the representatives of affiliates of CBPRO(Karnataka) organised at the Meeting Hall of SBIOF, Local Head Office, SBI, St.Mark's Road, Bangalore, it was unanimously resolved to chalk out action programme (s) under the banner of CBPRO to draw the attention of the general public and the media towards the grievances of the pensioners and retirees in the Banking Industry. As the legitimate demands of the Bank pensioners have remained unresolved, we have no other alternative than coming to the streets and agitate. This unfortunate situation has been thrust on us by an unconscientiously IBA. Injustices against pensioners that could have been removed by IBA, have continued with impunity. We have to plead with IBA, we have to petition to public functionaries such as Members of Parliament in the State, Ministers in the Central Government and we have to reason with powers that be. As a first step to our direct action, it is decided to stage Candle Light Vigil, followed by submission of Memorandum to the Parliament Members and Central Ministers from Karnataka, call on the MDs & CEOs of Bangalore Head Quartered Public Sector Banks and submit a memorandum to them. The following Action programmes have been chalked out:

The Public are not aware of the raw deal that is being meted out to Bank pensioners and retirees. We request all the representatives of various organisations to mobilise their members in large number to participate in the Candle Light Vigil on 25th February,2016. We shall March to Town Hall on J C Road, Bangalore. It is heartening to see the spirit of the retirees who assembled in large number for the Dharna / Demonstration that was held on 17th December,2015 and made it a big success. All of us have proved that age cannot rob us of our spirit to fight against injustices. No force shall deter us from making our Candle Light vigil a success.

We shall not rest until our goal is achieved, the goal of external and internal parity in pension including family pension, no discrimination within the homogenous class of pensioners, pension to all those who severed relationship but served pensionable service.

March on Comrades,
With warm greetings,

Yours sincerely,
Sd/-
