To All Members of our Unit.

Dear Comrades,

Sub: Canvassing of members for our Association

Ref: List of members who have retired in Karnataka Region

Please find the list of members who have retired under superannuation from our Region in the last four years. It may be observed that the list of members who are not joining our Association is increasing every year. It is quite possible that the retired employees may not be joining our Association for various reasons. Some employees may feel that the Life time fees is a bit too steep. Some of the retired employees may like to keep away from the Association for personal reasons. It is quite possible that there is a misapprehension in the minds of the retiring employees that our Association is only for the retired officers. This notion needs to be corrected as we have members who were Executives and also who were Officers, Clerical & Sub staff when in service. Our Byelaws are very clear that we are a composite organisation who admit all retiring employees of UCOBank. It is possible that some retiring employees may have been swayed by some negative propaganda in recent times.

Whatever may be the reason, we are of the opinion that all of us have not made sufficient efforts to convince the retiring employees to join our Association. It may be a view of our members that the Committee of the Association takes care of contacting of retiring employees and convincing them to join our Association.

All efforts are being made by the Committee members personally. The undersigned has been writing letters individually to all the retiring employees giving in detail the welfare measures being undertaken by our Association from the last 15 years and requesting them to join our Association.

Members are aware that our Association was re-activated in 2004 with a fund base of Rs 25,000/- and has today been able to achieve a total fund base of Rs 30.00 Lakhs with the support and cooperation of all of you. This has given us confidence as well as zeal to work further for the welfare of our members.

However, the results of our efforts in recent times is not to our satisfaction. The matter of increase of membership is discussed in all the Committee meetings and Committee members are advised to be in touch with the retiring employees. We are of the opinion that **unless concerted efforts are made by each one of us** who are in close contact with retiring employees as listed below by virtue of working together, or by relation of erstwhile Trade Union affinity, we may not be able to increase the membership.

It is well within the knowledge of our members that the number of employees retiring in the next two to three years is not going to be more and is gradually tapering off. In view of this position it is all the more necessary that the 60+ numbers of retired employees as listed are contacted by all of us individually and convince them that our Association by the retired employees for the retired employees and will remain so in the future also. Members are requested to explain the efforts towards welfare of the members and also that our Motto is "One for All: All for One"

It is necessary therefore that all of us continue to be united without being extremely concerned by the latest developments and continue to be work for the welfare of our members. Let us build the funds of our Association to Rs 50.00 Lakhs as soon as possible. We are sure that once our members open up their minds and purses this target can be achieved in a short period of time. It is necessary therefore to be convinced ourselves about our activities of our Association, be proud of it and to build the organisation for posterity.

We are sure that members shall work towards that aim to build our Organisation further.

The list below consists of Superannuated employees. We also have a separate list of employees who took VRS in 2001 and have not joined our Association. This is available in the General Body Report every year. We request members to contact each on of them personally and convince them to join the mainstream.

Yours faithfully,

Ravindra Krishna
