### **To all members of our unit.**

**Dear Comrades,**

### **SUB: Communications from our Association.**

The Association is keeping regular contact with the members through Email, Whatsapp and personal call.

All the important matters pertaining to Retirees are being circulated through circulars. The said circulars are also being posted in our Whatsapp Groups. Some of our members may think that this amounts repetition. Here we wish to clarify that all the members are not having facility to view the communications on whatsapp and many of our members are not having email facility. Sending circulars by post is not viable due to the cost factor and the number of communications being forwarded, now. Even in spite of all this we are not able to reach 100% of our members by these modes of communication.

We furnish below the number of members having the above mentioned facilities.

I. Members with Email:	278
II. Members with whatsapp:	282
III. Total no. of members:	333

In view of the forgoing we request the members:

1. Provide the correct email address and to provide the mobile number with whatsapp facility.
2. Even this communication will not reach some of our members. As such we request members viewing this circular to get in touch of such members who are expressing that they are not getting any communications to comply with item no.1 above.
3. Also inform us about sufficient information is being passed on to members. Kindly furnish your suggestions and views in this regard to the Hon. Secretary.
