## PRESS RELEASE

### AIBOC DENOUNCES BRUTAL MURDER OF BANK OFFICER

All India Bank Officers' Confederation (AIBOC), the apex organisation of Bank Officers having a membership of over 3,20,000, strongly denounces the brutal murder of Karan Singh Negi, who was shot dead by armed miscreants inside the branch premises of Nimbol branch of Bank of Baroda located in Jalgaon Region of Pune Zone on 18<sup>th</sup> June, 2019. This gruesome murder of a young bank officer, who was killed in the line of duty, underscores the lack of security personnel in bank branches. AIBOC has been demanding for provision of armed security guards in all Bank branches and ATM counters, to provide security to the bank personnel. There have been several incidents of bank robbery/ dacoity, where the bank personnel had been assassinated/ injured because of the lax security arrangements. We feel that the Banks have been compromising the security of its personnel and customers in order to curtail overheads thereby exposing the bank personnel as soft targets for terrorists, dacoits and other miscreants. AIBOC feels that an urgent and emergent need to assess the safety and security aspects of the bank branches all over the country as well as the ATM counters, which are functioning sans security personnel in most cases for the security of employees and customers of the bank.

A nationwide protest demonstration will be organised in front of all Bank of Baroda Zonal and Regional establishments demanding security of Bank personnel and arrest of the miscreants. A delegation of State unit of AIBOC Maharashtra will be meeting the Chief Minister of the state demanding protection of Bank officers and employees and also demanding arrest of the culprits. If the safety and security aspect is not addressed, AIBOC will be compelled to go for broader agitation programs in the ensuing months.
